

2014

Program Directors

Prof. Dr. med. S. Silber, Munich
PD Dr. med. W. Bocksch, Tübingen
Prof. Dr. med. J. Cremer, Kiel
Prof. Dr. med. E.S. Debus, Hamburg
Prof. Dr. med. C. Hengstenberg, Munich
Prim. Univ. Prof. Dr. med. K. Huber, Vienna
Prof. M. B. Leon, MD New York
Prof. Dr. med. T. F. Lüscher, Zurich
Prof. Dr. med. H. Reichenspurner, Hamburg
Prof. G. W. Stone, MD New York
Prof. Dr. med. G. S. Werner, Darmstadt
Prof. Dr. med. T. Wahlers, Cologne

08:30 - 18:00 Business Center

HeartDays - Training Course CathLab

Part 1: Complex Interventions: Left Main / Bifurcations

Moderators: Wolfgang Bocksch, Sigmund Silber

08:30 Update Guidelines 2014 Sigmund Silber

09:00 Techniques and Data Review Achim Büttner

09:30 Case Discussions Wolfgang Bocksch, Stefan Hoffmann

10:15 Break

Part 2: New TAVI Devices

Chair: Volkmar Falk, Karl-Heinz Kuck

10:45 TAVI 2015 - Standard Therapy? Wolfgang Bocksch

11:15 Live Session | Attendance of valvelive 2014

13:15 Lunch Break

Part 3: Chronic Total Occlusions

Moderators: Achim Büttner, Gerald Werner

13:45 Data Overview Gerald Werner

14:15 Case Discussions Achim Büttner

14:45 Break

Part 4: Non Coronary Interventions

Moderators: Ralf Birkemeyer, Peter Braun

| | | |
|-------|---|------------------|
| | Case Discussions and Complication Management: | |
| 15:00 | - ASD/PFO-Closure | Peter Braun |
| 15:30 | - LAA-Closure | Hans-Jörg Berger |
| 16:00 | - TASH | Wolfgang Bocksch |

16:15 Break

Part 5: Complication Management

Moderators: Hans-Jörg Berger, Stefan Hoffmann

| | | |
|-------|--|------------------------|
| | Case Discussions: | |
| 16:30 | - Dissection | Hans-Jörg Berger |
| 16:50 | - Thrombus Management incl. acute / subacute Stent Thrombosis | Bernhard Witzenbichler |
| 17:10 | - No-Reflow | Peter Braun |
| 17:30 | - Coronary Perforation | Ralf Birkemeyer |

18:00 Adjourn | Attendance of pcilive 2014

18:00 - 19:00 Auditorium

Live Session · Modern ACS Management*

Chair: Heribert Schunkert, Gregg W. Stone
Panel: Tobias Geisler, Karl -Heinz Kuck, Sigmund Silber

18:00 **Introduction** Sigmund Silber

18:05 **STATE OF THE ART**
Interventional management of patients with AMI Gregg W. Stone

18:20 **Live Case**
Antithrombotic Treatment and PCI - a balancing act Alexander Ghanem

18:40 **STATE OF THE ART**
Clinical Trials: Thrombocyte Aggregation Inhibition in ACS Patients Tobias Geisler

* with kind support of AstraZeneca

19:00 - 20:15 Auditorium

Symposium · Chronic Ischaemic Heart Disease*

Chair: Heribert Schunkert, Ernst G. Vester
Speakers: Stephan Baldus, Jochen Ehrlich, Ulf Landmesser

19:00 Guidelines and Case Discussion Stephan Baldus

19.25 Options after Incomplete Revascularisation Ulf Landmesser

19.50 Ranolazine: antianginal - cardioprotective - antiarrhythmic ? Jochen Ehrlich

Clinical Trials | Future Perspective

* with kind support of Berlin Chemie

09:00 - 10:45 Auditorium
Live Session · Left Main Interventions

Chair: Jochen Cremer, Sigmund Silber
 Panel: Hannes Alber, Christian Hengstenberg, Gregg W. Stone, Armin Welz, Gerald Werner

| | | |
|-------|---|-----------------------------------|
| 09:00 | Introduction | Sigmund Silber |
| 09:05 | STATE OF THE ART New Guidelines - New News? | Ulf Landmesser |
| 09:15 | Live Cases Left Main Intervention 1 | Bernhard Witzenbichler |
| | Left Main Intervention 2 | Wolfgang Bocksch, Antonio Colombo |
| 10:10 | STATE OF THE ART Left Main Intervention: surgical oder interventional? | Anno Diegeler Irene Lang |
| 10:25 | Live Cases in a Box Scaffold Implantations - a possibility? | Bruno Podesser, Paul Vock |
| | Non-invasive FFRCT | Alexander Leber |
| 10:40 | Take Home Message | Jochen Cremer |
| 10:45 | Break | |

11:15 - 12:30 Business Center
Workshop · HeartDays · Vascular Scaffolds
in Clinical Practice*

Welcome: Wolfgang Schillinger, Jochen Wöhrle

| | | |
|-------|-------------------------------------|---------------------------|
| 11:30 | Data Overview and Patient Selection | Jochen Wöhrle |
| 11:45 | Tips and Tricks for Implantation | Tommaso Gori |
| 12:05 | Additional Benefits | Constantin von zur Mühlen |
| 12:20 | Discussion | |

* with kind support of Abbott Vascular

11:15 - 12:45 Auditorium

Live Session · Heart Failure

Chair: Christian Hagl, Hermann Reichenspurner

Panel: Johann Bauersachs, Nawid Khaladj, Bernhard Schieffer, Holger Thiele, Thorsten Wahlers

11:05

STATE OF THE ART

Medical Treatment 2015

Johann Bauersachs

11:20

Live Cases

Minimal-invasive LVAD-Implantation

Tobias Deuse, René Schramm

Percutaneous ventricular Restauration

Ulrich Schäfer, Hendrik Treede

Live Cases in a Box

ECLS in cardiogenic shock

Nawid Khaladj

**Carotid baroreceptor stimulation: a promising approach
for the management of heart failure?**

Marcel Halbach
Navid Madershahian

Cardiac Contractility Modulation, CCM

Karl-Heinz Kuck

12:40

Take Home Message

Christian Hagl

12:00 - 14:00 Rolling Lunch

12:45 - 13:15 Lunch Break

13:15-14:45 Auditorium
Symposium · Highlights of TCT 2014

Moderators: Gregg W. Stone
 Panel: Hans Figulla, Kurt Huber, Malte Kelm, Sigmund Silber,
 Hans Störger, Holger Thiele

TOP 3 LATE BREAKING TRIALS 2014 (DISCUSSION) Gregg Stone

TATORT NSTEMI: Anticoagulation and Intervention of Acute High Risk Patients* Holger Thiele

* with kind support of The Medicines Company

Improving Microvascular Reperfusion: Pressure-controlled Intermittent Coronary Sinus Occlusion** Malte Kelm

** with kind support of Miracor Medical Systems

14:45-15:30 Auditorium
Symposium · Secondary Prevention After ACS*

Chair: Johann Bauersachs, Sigmund Silber
 Speakers: Tobias Geisler, Martin Moser, Uwe Zeymer

14:45 Case Discussion:
 DOACs after ACS- Patient Selection Tobias Geisler

15:00 ACS and AF - Guidelines Uwe Zeymer

15:15 Patient after ACS: DOAC and / or platelet aggregation ? Martin Moser
 * with kind support of Bayer Health Care

15:15 - 16:00 Business Center
Workshop · HeartDays · Left Main Interventions

Chair: Peter Braun, Wolfgang Bocksch

15:15 **Live Case Review 1** Wolfgang Bocksch

15:30 **Live Case Review 2** Hans-Jörg Berger

15:45 **Case Discussions** Wolfgang Bocksch, Peter Braun

15:30 – 16:30 Auditorium

Live Session · The Generalized Nature of Atherosclerosis

Chair: Sebastian Debus, Ulf Landmesser

Panel: Jochen Cremer, Harald Mudra, Petra-Maria Schumm-Dräger

15:30

Live Case

Peripheral AVK

Sebastian Debus

16:00

Case Discussion: Fokus KHK

Jochen Cremer

16:20

Take Home Message

Harald Mudra

16:30 - 18:00 Auditorium

Live Session · Chronic Total Occlusions

Chair: Armin Welz, Jochen Wöhrle

Panel: Alexander Bufe, Hans Figulla, Stefan Harb, Adnan Kastrati, Peter Lamm

16:30

STATE OF THE ART

Revascularization of Chronic Total Occlusions

Jochen Wöhrle

16:50

Live Case

Antegrade Revascularization

Achim Büttner

17:20

Retrograde Revascularization

Gerald Werner

17:50

Take Home Message

Armin Welz

18:00

Close
